## COST ACTION MEMBERS BIO

**TITLE: NATALIE**

**NAME: HALL**

**INSTITUTION/UNIVERSITY:**

University of Hertfordshire

### **BIO:**

I have been working as a research assistant and administrator, for the Centre of Health Services and Clinical Research, since completing my Masters in Research Method in Psychology, where I have combined my previous knowledge of programming, with advanced qualitative and quantitative data analysis. My area of interest includes sociopsychological effects of long term illness; intrusive and non-intrusive autobiographical and semantic memories and addictive and obsessive behaviours.
