## COST ACTION MEMBERS BIO

TITLE: DR.

NAME: MARC ROELANDS

INSTITUTION/UNIVERSITY: THOMAS MORE

## **BIO:**

Marc is a Master in Clinical and Developmental Psychology and Doctor in Psychology working as a senior researcher. His research is mainly from a public health and health psychology perspective. It concerns themes such as dementia, depression, suicide, end-of-life care and illegal drug use. Currently, he is interested in the use of technology in the field of psychotherapy and counselling (eMental Health), focussing among others on the needs and demands of clinical populations and the development of digital solutions, such as virtual reality interventions and internet psychotherapy.
