About

Dr Henrietta Bowden-Jones OBE is a medical doctor and neuroscience researcher working as Consultant psychiatrist in Addictions.

Dr Henrietta Bowden-Jones was appointed Officer of the Most Excellent Order of the British Empire (OBE) in the 2019 New Year's Honours for Services to Addiction Treatment and to Research.

She was elected President of the Medical Women's Federation in 2018 having been Vice President from 2014 to 2016 and President Elect 2016-2018.

She is Honorary Clinical Senior Lecturer in the Faculty of Medicine at Imperial College and the past co-recipient of Medical Research Council grants in the area of decision-making and impulsivity as well as a Wolfson Family Trust 3 year grant.

She is the Founder and Director of the National Problem Gambling Clinic based in London. The clinic is the first and only NHS multidisciplinary treatment centre in the UK for the treatment of problem gamblers,it has been inundated by thousands of referrals since its opening in 2008 and holds an extensive national database on pathological gambling.

About

Konstantinos Ioannidis, , MD (male), MSc, MRCPsych; Consultant Psychiatrist, Cambridge and Peterborough NHS Foundation Trust, Honorary Visiting Fellow, University of Cambridge. I am a Consultant Psychiatrist working with people with Eating Disorders. I am based in Addenbrookes Hospital in Cambridge UK. My research is focused on resilience in mental health and the way people interact in problematic ways in the online environments, but I am also interested in disorders characterized by impulsivity. I am keen to explore novel statistical approaches e.g. machine learning and apply those in psychiatry research.
