

Work Group 3- Dissemination WG Lead meeting

Date: 14th Feb 2018

WG Lead: Zsolt Demetrovics

Communications Officer- Julius Burkauskas

Also attending:

MC Chair: Naomi Fineberg

MC Vice Chair: Joseph Zohar

GHM/AR and WG3 Member: Natalie Hall

Objectives: Dissemination Plan and structure for dissemination across the action

Main Objectives for the next 6 months.

1) Finalise the Dissemination Plan

JB has produced and distributed a draft of the dissemination plan to the rest of the work group.

This will be sent to the Communications officer at COST as soon as it has been finalised. NH will contact all members of the action asking for nominations of National Dissemination

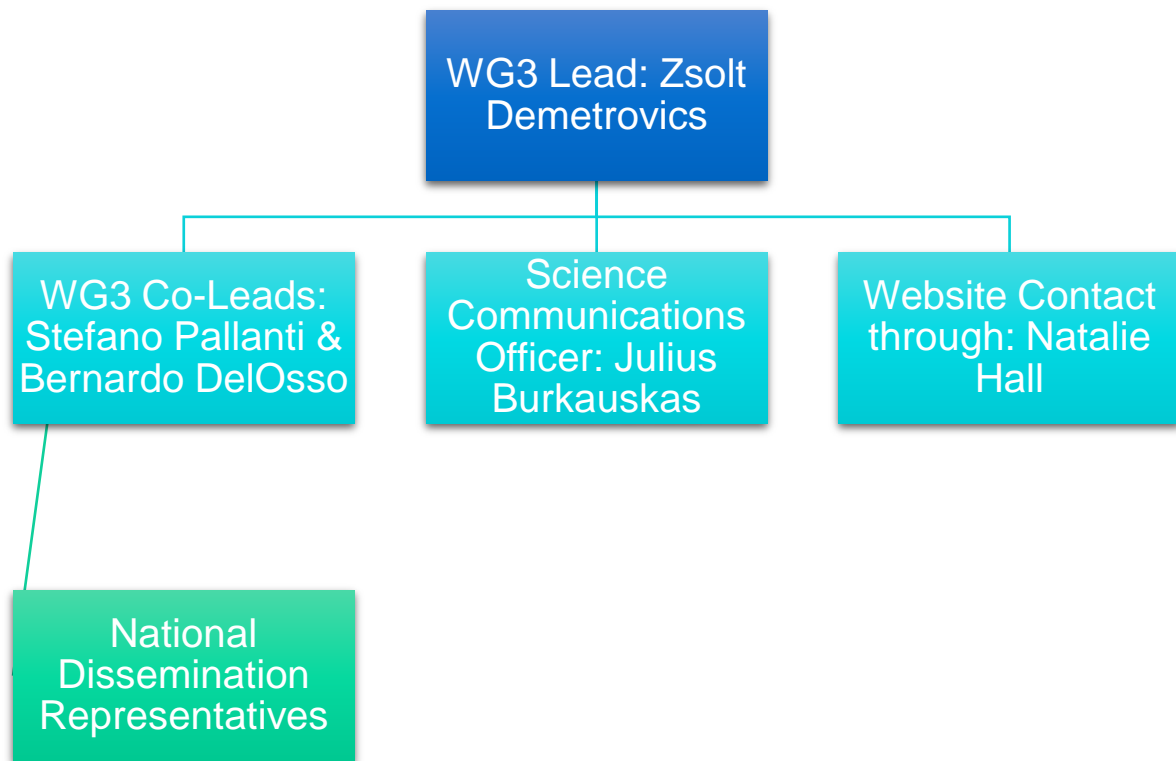

Representatives, who will be asked to devise a dissemination plan for each country and be the contact person for country level dissemination. We need to get an idea of what is going on in each country regarding Internet addiction.

2) Launch the Website

NH is working with the web developer to get the website up and running, with a launch date set for the end of Feb. All members will be asked to supply a Bio in their own language as well as English to be put on the website. MC Members will be asked to create a podcast in their own language introducing the action and its objectives. The MC members will be asked to translate the quality feedback questionnaire in to their own language, which will be accessed via the website, after each event.

3) Set up of WG 3

The structure of WG3 will be:

The national dissemination representatives will also be asked to create a POD cast in their own language introducing the Action and its objectives, which will be included on the website.
